

The Pillow Gift

This is a small, beautifully wrapped gift that a husband puts on his wife's pillow Christmas night - after all the other gifts have been opened, the mess cleaned up, Christmas dinner is over, and all of the guests have gone. This can also be used very effectively for Valentine's Day or any special occasion!

Ask the men you know, "Have you purchased your **Pillow Gift** for your wife?" Of course, he will ask what it is. You can tell him and then offer to wrap it for him. You can also let him know that this will make him a true hero in her life! Even when men tell you they have finished their Christmas Shopping (sometimes they say "yes" whether they have or not) you can ask them if they remembered their "**Pillow Gift**." Let them know it is the latest, hottest, trendiest, gift and all her friends will be talking about it – he won't want to be left out!!

This is the card:

This is a PILLOW GIFT as you can see
Given with love for you, from me
Given because I'm glad you're in my life
Because I am so grateful you are my wife
Given because I appreciate all that you do
Because life would not be the same without you
Given with all the love I can give
For a wonderful life, as long as we live!

Thank you for all the things you do to make my life special!!

You can change the wording to fit the situation. For instance;

*"Given because I'm glad you're my friend
Knowing we'll be together, right to the end!"*

He can also put it on her pillow first thing in the morning.... (Valentine's / Anniversary)

One of our Unit members also did a twist on this gift! She went to the Craft Store and purchased a small pillow (Ring pillow, Tooth Fairy pillow etc) and attached a gift certificate to the pillow, wrapping it up in a pretty package!! If you are "craft-y" you can also make a beautiful little decorative pillow!

Have fun with it, but mostly sell lots of gifts!!
