

## Seven Gifts EVERY Woman can take advantage of by being a part of Mary Kay

**MONEY** \_\_\_\_ You can earn 50% of everything you sell or be a “secret agent” you don’t “sell” to anyone you just love taking 50% OFF everything you buy because there are no quotas to maintain! It’s ONLY \$100 to get started and that comes with full size products and business supplies valued at about \$500!

**RECOGNITION** \_\_\_\_\_ You can earn prizes and praise on a weekly basis at our Tuesday night training, on a monthly basis based on monthly challenges and you can even earn Real Diamonds, leather and electronics directly from Mary Kay on a Quarterly basis through the Star consultant program! It is all an incentive based program, which means if you want this then you need to do that...but nothing is required!

**SELF ESTEEM** \_\_\_\_\_ If that’s an area you’d like to grow in, you can make it happen here, in Mary Kay. Because you will never disappoint anyone or fail in our eyes. We call it “loving you to success”. We support you, no matter where you are.

**FLEXIBILITY** \_\_\_\_\_ You can work your business anywhere, anytime in the entire United States. There are no territories or boundaries. I believe as women, we all feel too busy for one more thing, but I also believe, as women, when we really want to do something bad enough, we find the time to work it in! If you are teachable and trainable, then I can teach you how to work this business in the “gaps” of your life.

**CAR** \_\_\_\_\_ You can earn a company car, a Red Pontiac Vibe in as little as 1, 2, 3 or 4 months. When you have shared the opportunity with 12 other women and between all of you have reached a certain production level, the company will give you a 2 year lease, they pay for tax, title and license and 85% of your insurance or you can request the cash option which is \$375 per month!

**ADVANCEMENT** \_\_\_\_\_ You decide how fast or slow you want to go. But based on your efforts (and not seniority or favoritism) you could be promoted. As soon as you share the opportunity with One person (your sister, best friend, mom...anyone) You’ll be promoted to Senior consultant and start earning commission checks from Mary Kay, NOT your team member!

**BE YOUR OWN BOSS** \_\_\_\_\_ You decide how fast or slow you want to go, how many days you want to work per week or per month., how many hours per week you want to work and how you want to work your business. There are 5 avenues of income; on the face (your facials), on the go (you take product to show and sell anywhere you are), on paper (catalog orders), online (you’re eligible to have your own website where customers can shop from You 24/7), and on with the show (your business debut, pedicure party, fragrance party with 10 or more in attendance ...but not doing facials)
